These are:

- A small, simple pencil case (no large 'Smiggle' pencilcases/ keyrings/ anything larger than A5)
- Pencils
- A blue, black (once they have their pen licence!) and green biro (Year 2 and up)
- Coloured pencils- a small selection
- A ruler
- A rubber
- A glue stick
- A water bottle

There will still be lots of resources available in the classrooms, however, our children have expressed on lots of occasions that they wish to bring their own (please remember to label everything brought into school with your child's name).

**Parent/Carer Meet the Teacher and Talk and Share (Current Reception- Current Year 5):** On Wednesday 9th July, please feel free to come in after school to say hello to your child's new teacher. They will be waiting in the children's new classrooms where they visited on transition day. Your child's books will be out in their current classrooms, so please feel free to come and look at those too! The school will be open for parents until 4:45pm. If this is not convenient for you, please arrange another touch-base through your current class teacher.

We understand that transitions can sometimes be challenging for children and parents alike. Our staff is committed to supporting your child through this period. Should you have any concerns or questions, please do not hesitate to contact your child's current class teacher or the school office.

We are excited about the upcoming year and look forward to continuing to work together to support your child's education to prepare our learners for the world that awaits.

Thank you for your ongoing support and cooperation.

Kind regards,  
Mrs Roberts  
Headteacher
