BA (Hons) Pri Ed, NPQH.

Dear Year 2 Parents and Carers,

11th June 2025

We are thrilled to let you know about our upcoming **Year 2 trip to Wat Tyler Park on Wednesday 2nd July!**

As part of our Science learning about **habitats**, this exciting day will give the children the chance to explore real-life examples of a variety of environments, including **ponds, woodlands, and sunny fields**. It's a fantastic opportunity for them to observe nature first-hand and deepen their understanding of the wonderful world around them.

We will be **travelling by coach**, leaving school promptly at **9:15am** and returning in time for the end of the school day at **3:15pm**. Please ensure your child is in school **on time** that morning so we can make a smooth and timely departure.

Children will need to bring:

- A **NUT FREE packed lunch** (including a drink, but no glass bottles or fizzy drinks, please)
- Weather-appropriate clothing (sun hat and sunscreen if sunny, waterproofs if it looks like rain)
- Comfortable shoes for walking and exploring

The cost of this trip is voluntary and is £16.00 per child which is based on all children going. If we receive insufficient contributions the trip may have to be cancelled. Payment can be made via Schoolmoney.

This is always a highlight of the year, and we're looking forward to a day full of learning, discovery, and fun!

If you have any questions, please don't hesitate to speak to your child's class teacher.

Kind regards,

The Year 2 Team
