Deanes (SSP) – Please return flyer to the school office

Rayleigh Tennis Club – Contact Rayleightennisacademy@hotmail.com to book a place

Activities at Spring Gardens

Please drop your child at the field for sessions that start before school and collect them from the field for sessions that run after school.

Sports Fixtures, Competitions and Tournaments

Our school sporting teams will be entering various competitions over the year. Once the dates have been finalised we will publish these to families. If children are playing at an away location we ask that parents/carers escort them to/from the game. For some venues this will require an early school departure - this will be published alongside the fixture information.

Snacks & Hydration

Our children bring water bottles to school daily, which will be refilled ahead of training and fixtures. We suggest an additional healthy snack be packed for any club/training days as it is likely the children may require a little additional fuel on these days - as always, these **must not contain nuts**.

Clothing & Footwear

Please ensure your child/ren have the appropriate clothing and footwear for PE as well as their club/sport of choice. We intend for outdoor clubs to run outdoors during the colder weather - as long as it is safe to do so. Please make sure your children are appropriately dressed for the weather i.e. gilets and snoods permitted; whereas scarves are not safe as they pose a health and safety risk.

Many thanks

Mr Leeman
Assistant Head/PE Lead
