Dear Parent/Carer,

Monster Phonics Ebooks

Thank you so much for your patience as we ironed out the creases with the roll-out of our Monster Phonics supplementary ebooks subscription.

To make sure that everyone can access the ebooks (ebooks.monsterphonics.com), we have had to reassign usernames and passwords. Usernames are now first name.surname, e.g. Billy.Jones, and the password remains Reading123* for everyone.

Ebooks are free to use and completely optional, provided as an additional way of supplementing your child's reading diet, should you wish to use them.

Reading Books

You may have noticed that your KS1 child has been bringing two reading books home. We are passionate about promoting reading, both in terms of developing a love of stories and fact books as well as supporting our pupils to become confident and fluent readers.

As such, one of the books that your child brings home will be their traditional 'reading book', which will be purposefully matched to their phonics/reading stage. It is important for their reading development that this book is read, by your child, at least 3 times at home - the idea is that they should be able to read this book with relative fluency by the third or fourth read.

The second book is a 'reading for pleasure' book and can be read by your child, if they are able, or read by you to your child, or a combination of both - the point is to enjoy it!

As always, please do not hesitate to contact me if you have any questions or feedback.

Kind regards,

Miss Cole
