Dear Parents/Guardians,

6<sup>th</sup> March 2024

We will begin relationship and sex education in Year 6 on the week commencing 11<sup>th</sup> March. There will be three sessions this half term where the following will be covered:

- physical and emotional changes of puberty
- conception (non statutory)
- pregnancy and birth (non statutory)

We will be following the Kapow Scheme of work for these lessons.

If you would like to, you may review the resources at a viewing after school on Friday 8<sup>th</sup> March in class 6AN.

If you choose to withdraw your child from the non-statutory elements, please inform us as soon as possible.

Yours sincerely,

Miss Newe & Mrs Tapsell
