Website

We have been blown away with the children this week; they have settled into the school year beautifully and have been working hard!

The children have agreed their class charters this week - thinking about how they can meet the shared trust values in their class. Those include looking for opportunities to be:

Altruistic: Doing good things whenever, however and to whoever you can.

Pioneering: Striving to discover new things and exceed expectations.

Ethical: Making conscious decisions to be kind and fair.

Please do chat to your children about them and how they can meet them at home too!

We will be starting the 'Year Snapshots' on the week of the 16th September. These meetings are intended to give you key, helpful information for the year ahead - such as expectations around homework, topics etc.. There will be opportunity for questions with your child's teacher at the end too. We look forward to meeting you in person, but if you can't make it, we will upload these onto Dojo so that you can access all the information.

Communication

We have an open door policy; feel free to chat with your class teachers straight after school or email the school office to arrange.

Dojo is a great way to chat with your class teacher to pass on messages and positive news. **Please use the QR code and create an account if you are new to us. Please contact the office if you need help with this or do not have a code.**

Attendance

As you may well be aware, the Government have introduced new guidance for Attendance. Please use this link for further guidance: [Working together to improve school attendance \(applies from 19 August 2024\) \(publishing.service.gov.uk\)](https://www.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/100000/working-together-to-improve-school-attendance-applies-from-19-august-2024.pdf) Days away from school add up to lost learning, some which may never be repeated. The Government's target for attendance for all children is 95%.
