

Dear Parents,

It has been a very hot and sweaty week!

You all should have received an email about our sports day unfortunately changing days due to the extreme weather. Our changed sports day dates are updated on the diary dates on the right of this newsletter. We apologise for any inconvenience, but the safety of the children, of course, always comes first.

A polite reminder that owl photo forms are due in by 9 am on 24th June (next Tuesday), as Nite Owls are picking them up on that day.

We still have some uncollected parking permits in the school office, please ensure these are collected by the end of next week.

We hope you have a lovely warm weekend.

Spotlight on... Talent show

RPS pupils have worked extremely hard and put on an excellent performance for the rest of us at RPS. We would like to take the opportunity to thank all the children who took part and showed such bravery in performing! We were also lucky enough to have Paul Dudmish from the governing body on our panel of judges. He was very impressed with the talent on display!

During this burst of warm weather its important that the children are bringing in sun hats, water bottles to keep hydrated and some sun Cream. Children need to apply this themselves so please do apply a base layer in the morning, and provide some for top up! The roll on sun creams particularly easy for children to apply themselves.

Attendance

As you will be aware, the Government has updated their statutory guidance for school attendance.
