

## YEAR 5 - SUMMER

 English: We will be writing a newspaper report based on The boy at the back of the class, a narrative based on a cartoon called The book of butterflies and a Tanka poem.. In summer 2 we will be writing a biography about Tim Peakes and a travel brochure about space.

Maths: We will be focusing on perimeter and area, statistics, shape, position and direction. In summer 2 we will look at negative numbers and converting units of measurement.

Science: We will be looking at forces and space, including learning about planetary movement and explanations of day and night.

French: We will learn all about the French family and space, developing confidence in speaking and listening.

PE: We will learning tag rugby, tennis, rounders and cricket, improving skills in order to apply to games.

Computing: We will be investigating data handling and transfer based around the Mars' Rover.

The Arts:

In art, we will be looking at the space race in the 1950s and retro art, creating pieces inspired by this.

History/ Geography

In History, we will be studying the Tudors and Henry v111 using sources to investigate life in Tudor times..

In Geography we will be looking at oceans and deserts.

RE / PSHE:

In RE:we will be investigating how Hindus make sense of the world and in PSHE looking at economic well being. and stereotypes.
